Our Team

We are a committed team with diverse skills, training and experience in early childhood, development and disability. Our team consists of:

Early Childhood Educators:

- Promote play and learning
- Promote social interaction and participation
- Provide assessment

Speech Pathologists (SP):

- Promote speech and communication
- Help with eating and drinking difficulties
- Provide assessment

Occupational Therapists (OT):

- Assist with play, bathing, dressing and meal times
- Adapt seating and positioning
- Provide assessment

Physiotherapists:

- Help with movement and motor development
- Provide assessment

Psychologist:

- Provide information and advice
- Provide assessments

A key worker from this team will work closely with your family.

How we can help?

You can access a range of services based on your child and family's individual needs.

What we can provide:

- Baby Program
- Toddler / Pre-school Groups
- Support at home & in your local community
- Support at your child's early education settings
- Transition to school and support in school
- Community playgroup
- A variety of services and supports for children and families through NDIA, Better Start & Helping Children with Autism programs.

Where We work

Local Government Areas: Cessnock, Maitland, Dungog, Singleton, Muswellbrook and Upper Hunter.

How to Refer

Referrals can be made by:

- Parent / care givers
- Educators, Medical & Allied Health Personnel
*with parent / care giver consent
- National Disability Insurance Agency (NDIA)
*with parent / care giver consent

Referrals may be by telephone, email, fax, website or sending a report.

Funding

Funding is provided to Hunter Prelude by Family and Community Services Aging, Disability and Home Care and the Department of Education and Communities.

We are also grateful for donations from local organisations, businesses and individuals.
